Empowering the Girl Child - A Step Towards Equality

A special assembly was conducted on 17th October to mark the International Day of the Girl Child. The program featured an inspiring article reading highlighting the importance of empowering girls and promoting gender equality. Students also presented a beautiful dance performance, celebrating the strength, talent and achievements of girls. The event encouraged everyone to value and support the rights and opportunities of every girl child.

Vigilance Awareness Week 2025

Our school observed Vigilance Awareness Week 2025 on 24th October, based on the CBSE theme "Vigilance – Our Shared Responsibility." The programme aimed to promote integrity, transparency and accountability among students.
class VIII participated in a Quiz Competition, class IX showcased their creativity through Poster Making on vigilance and ethics, while class X expressed their ideas in a Slogan Writing Competition on "Building a Culture of Responsibility."
Students took part enthusiastically, displaying awareness and commitment to ethical values. The event successfully emphasized that vigilance is a shared responsibility essential for building a responsible society.

United Nations Day: A Celebration of Global Harmony

A special assembly was conducted on 24th October by Kadamba House to mark the United Nations Day. The students presented a skit highlighting and questioning the relevance of United Nations- as war clouds have darkened over Gaza by the Israelites and missiles still fly over Ukraine. The question is- Has United Nations failed? The closing words of the skit were- let peace be our weapon and dialogue be our strength. Let every nation remember- War divides, but humanity unites.

A Day Beyond Books- Learning Through Fun

Students from Nursery to class VIII enthusiastically participated in Bagless Day activities on 25th October. The day aimed to encourage experiential learning by moving beyond textbooks and engaging students in creative, skill-based, and hands-on activities.
Students participated in a wide range of fun and educational tasks including art and craft, collage making, storytelling, nature exploration, and science experiments. Activities such as seed art, model making, poster designing, drawing, and skits on environmental themes allowed students to express their creativity while reinforcing classroom concepts in an enjoyable way.

The day also featured interactive learning through mathematics games, data-based projects, and language enrichment activities like poem recitation, speech and letter writing. Nature walks and observation sessions helped students connect closely with their surroundings and appreciate the importance of environmental conservation.
Overall, the Bagless Day provided students with an opportunity to learn through doing, think independently, and collaborate with peers. The event successfully promoted joyful learning and holistic development, making education a truly engaging and memorable experience.
